<p>LeRoy David Holzwarth was born on 27 February 1915. He enlisted in the U.S. Navy on 11 January 1942 and was trained as a Motor Machinist's Mate (MOMM). He served in the Battle of the Mediterranean primarily as part of the crew on submarine chasers. In response to attacks on merchant traffic in the Mediterranean on the night of 8 May 1944 LeRoy's ship, the USS-PC558, patrolled the waters near the entrance to the bay near Palermo Sicily. During the course of their patrol, the USS PC-558 engaged and destroyed a German one-man submarine and assisted in destroying another German one-man submarine. In the early morning hours of 9 May, the USS PC-558 was hunted and destroyed by a single torpedo from German submarine U-230. LeRoy and 28 of his shipmates went down with the ship. Brownsville's VFW Post 6801 was organized in 1946 and named in LeRoy's honor. Each year as part of the Memorial Day program, a wreath is laid on the river in honor of LeRoy and all Sailors lost at sea.</p>
