

Garbage Tote

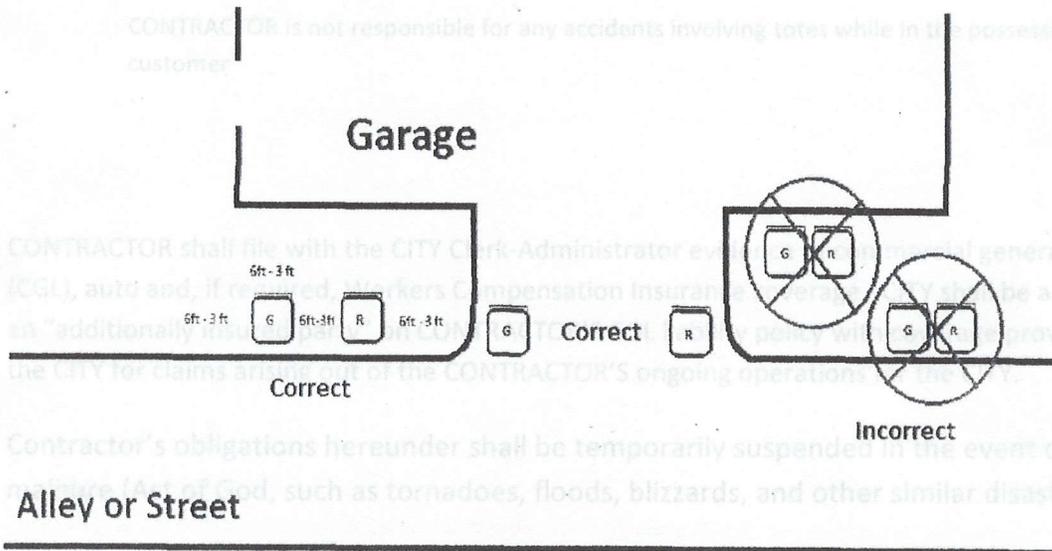

Garbage totes are black with black lids. Totes are to be out at the curb by 6am for pickup. Lid opening must be facing towards the road and 3 ft away from any object. All garbage inside the tote must be in (some type) of garbage bag. Totes are considered full when garbage is to the top, and lid is shut. Extra garbage on top or around tote will not be picked up.

Recycling Tote

Recycling totes are black with yellow lids with recycling only on them. Totes are to be out at the curb by 6am for pickup. Lid opening must be facing towards the road and 3 ft away from any object. Totes are considered full when recycling is to the top, and lid is shut. Extra recycling on top or around tote will not be picked up.

Placement

Your cart must be atleast 3 ft away from any object including other carts. 6 ft spacing is preferred when possible. The best recommended placement is one cart on each side of drive way.
